Banavie. This little village near the shores of Loch Isle is chiefly remarkable as the point at which passengers disembark from the large sea-going steamers and go on board the smaller boats which traverse the Caledonian Canal. Some passengers prefer to disembark at Fort William and to take train to Banavie, thus avoiding the series of locks between Banavie and Corpach, which locks have come to be known as Neptune's Staircase.

(FOR ADDRESS ONLY.)
